Linger

The Cranberries

Everybody else is doing it so why can't we?

intro: D

1. If you, if you could return
 Don't let it burn, don't let it fade
 I'm sure I'm not being rude
 But it's just your attitude
 It's tearing me apart
 It's ruining everything
 And I swore, I swore I would be true
 And honey so did you
 So why were you holding her hand?
 Is that the way we stand?
 Were you lying all the time?
 Was it just a game to you?
But I'm in so deep
You know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger?
Do you have to? Do you have to?
Do you have to let it linger?
2. Oh, I thought the world of you
 I thought nothing could go wrong
 But I was wrong
 I was wrong
 If you, if you could get by
 Trying not to lie
 Things wouldn't be so confused
 And I wouldn't feel so used
 But you always really knew
 I just wanna be with you

No need to argue

The Cranberries

No need to argue

1. There's no need to argue anymore
 I gave all I could but it left me so sore
 And the thing that makes me mad
 Is the one thing that I had
 I knew, I knew, I'd lose you
 You'll always be special to me, special to me, to me
2. And I remember all the things we once shared
 Watching TV movies on the living room armchair
 But they say it will work out fine
 Was it all a waste of time
 'Cause I knew, I knew, I'd lose you
 You'll always be special to me, special to me, to me
3. Will I forget in time? (Ah-aa - aa)
 You said I was on your mind
 There's no need to argue
 No need to argue anymore
 There's no need to argue anymore

Zombie

The Cranberries
No need to argue

1. ^{Em} Another ^C head hangs lowly
^G Child is slowly ^D taken
^{Em} And the violence ^C caused such silence
^G Who are we ^D mistaken

But you ^{Em} see, it's not me

It's not ^C my family

In your ^G head, in your head

They are ^D fighting

With their ^{Em} tanks and their bombs

And their ^C bombs and their guns

In your ^G head, in your head

They are ^D crying

In your ^{Em} head, in your ^C head

Zombie, ^G zombie, ^D zombie

What's in your ^{Em} head, in your ^C head

Zombie, ^G zombie, ^D zombie

2. Another mother's breaking
 Heart is taking over
 When the violence causes silence
 We must be mistaken

It's the same old theme

Since 1916

In your head, in your head

They're still fighting

With their tanks and their bombs

And their bombs and their guns

In your head, in your head

They're dying

In your head, in your head

Zombie, zombie, zombie

What's in your head, in your head

Zombie, zombie, zombie
